

## AMERICAN DIETETIC ASSOCIATION'S NUTRITION CARE MANUAL® (NCM)

### More Than a Diet Manual!

The American Dietetic Association's [Nutrition Care Manual](#)® (NCM/PNCM) products are internet-based *diet manuals* and *professional practice manuals* for Registered Dietitians, Dietetic Technicians Registered, and allied health professionals. NCM is purchased by annual subscription and gives you online access to evidence- and knowledge-based nutrition information that keeps you current and compliant.

### Compliance

- NCM is consistent with the Centers for Medicare & Medicaid Services' Interpretive Guidelines for the Hospital Conditions of Participation.
- NCM meets the Joint Commission's Hospital Accreditation Standards.
- NCM has been named the preferred *diet manual* by the Healthcare Facilities Accreditation Program.
- ADA Nutrition Care Manual® complies with DNV's NIAHOTM accreditation program.

### Features

- NCM is an online diet manual and professional practice manual which can easily link to any intranet system.
- NCM is consistent with the ADA's Evidence Analysis Library, ADA position papers, and the Nutrition Care Process.
- Research- and evidence-based nutrition care information for more than 100 diseases, conditions, and topics.
- Printer-friendly client education - customizable format also allows placement of your company/facility logo as well as the ability to fill in client information prior to printing!
- Meal Plans section includes food lists (food recommended / not recommended) and sample 1-day menus.
- Electronic calculators that use evidence-based formulas to ensure the most accurate results.
- An extensive formulary database that is updated semiannually and easily customizable to any facility.
- References with links to abstracts and full text articles (where available).
- A diverse Resources section, including information on cultural food practices, malnutrition coding, and special issues related to the patient population for your NCM/PNCM subscription.
- Unique customization features, such as electronic sticky notes and highlighting.
